CODING CLINIC for HCPCS

Continuing Education Quiz 2017
Due on or before June 30, 2017

Instructions
Registered Health Information Technicians, Registered Health Information Administrators, Certified Coding Specialists and Certified Coding Specialists — Physician-based may earn one hour of continuing education credit toward AHIMA's continuing education requirement by completing this test with a minimum score of 70%. This test is available to both personal subscribers and employees of institutions that subscribe to Coding Clinic for HCPCS. Complete the quiz; fill in information on both sides, and type or print clearly your name and mailing address in the space provided. Fold the insert on the dotted lines on this page, and mail to the following address:

Central Office on HCPCS
Attention: Continuing Education
American Hospital Association
P.O. Box 92247
Chicago, IL 60675-2247

For your return address: Please type or print clearly the information within the box below.

Name
Address
City/State/ZIP

Enclose check or money order for $20.00 (handling fee). Make check payable to the American Hospital Association. Do not send cash. The quiz will not be graded and the $20.00 fee will be forfeited if the quiz is not postmarked on or before the date indicated on each test.

No credit will be given if the score is less than 70%, the test is incomplete, postmarked after the designated date, or submitted without the $20.00 handling fee.

Forms may be photocopied for use by directors of medical records or coding supervisors for assessment of coding staff's understanding of topics presented in Coding Clinic for HCPCS.

Note: The Central Office on HCPCS will not retain records of achievement. The practitioner is responsible for retaining the verification form returned by AHA and report the credit on AHIMA's official continuing education reporting form.

Do not send the AHA verification form to the American Health Information Management Association. Please duplicate your completed Continuing Education Quiz and retain the copy for your purposes.
