Enclose check or money order for \$25.00 (handling fee). Make check payable to the American Hospital Association. Do not send cash. The quiz will not be graded and the \$25.00 fee will be forfeited if the quiz is not postmarked on or before the date indicated on each test.

No credit will be given if the score is less than 70%, the test is incomplete, postmarked after the designated date, or submitted without the \$25.00 handling fee.

Forms may be photocopied for use by directors of medical records or coding supervisors for assessment of coding staff's understanding of topics presented in *Coding Clinic for HCPCS*.

**Note:** The Central Office on HCPCS will not retain records of achievement. The practitioner is responsible for retaining the verification form returned by AHA and report the credit on AHIMA's official continuing education reporting form.

*Do not send the AHA verification form to the American Health Information Management Association. Please duplicate your completed Continuing Education Quiz and retain the copy for your purposes.*
